Atrium Limketkai,  
Cagayan De Oro

As the economy of Cagayan de Oro continues in its upswing and the city continues to build-up on its tourism and food and dining scene, local entrepreneurs have so much to look forward to. In bringing back WOFEX Cagayan de Oro, the biggest and most focused trade show on F&B, we hope to support and provide the F&B and hospitality industry with what they need and require.

WOFEX is the place to go to source and network. As we partner only with the best brands and suppliers of premium F&B products and supplies, we are able to provide local businessmen with the best choices for their needs. WOFEX also provides learning opportunities through seminars, workshops and live demos. And best of all, WOFEX delivers a unique experience for people to discover new ideas, see what's trending and learn how to innovate and grow their business.

May this event directory help in your sourcing needs. Use it as your quick and handy reference anytime you are looking for suppliers or new ideas for your business.
